

CONSIDERING A CAREER IN THE ENERGY SECTOR?

THEN VEET IS FOR YOU...

As a participant in the Victorian Energy Education & Training Program you will explore careers options such as:

- Powerline Workers
- Engineers
- Project Managers
- Technical Officers
- Designers and Draftspersons
- Electrical Cable Jointers/Controllers

Program Synopsis:

All participants need to be enrolled in either VCAL VCE or VETiS Course in Electrotechnology, Cabling or Engineering to participate in these **FREE** activities:

- Site visit to Powerworks, Morwell
- Site visit to ETC Training, Chadstone
- Visit to SP AusNet Head Office & Yarraville Chemical Lab, Melbourne
- 3 day work placement at SP AusNet Lilydale site
- Job seeking skills assistance & student reflections
- \$250 VET subsidy (paid to parents)
- Hard hats, VEET polo shirts provided to each student
- Graduation ceremony and VEET certificates issued on completion of 1 year program
