ABOUT OELLEN

The Get Linked resource is an initiative of the Outer Eastern Local Learning and Employment Network (OELLEN).

OELLEN is one of 31 LLENs across Victoria.

The Outer Eastern LLEN is funded by the Victorian Government to help improve education and employment outcomes for young people in Knox, Maroondah and the Yarra Ranges.

LLENs broker partnerships between schools, industry, private providers and community in order to build their capacity and raise aspirations in the region. OELLEN works with more than 200 employers, 45 secondary schools, TAFES, councils and local government in Melbourne's outer east.

Get Linked brings together information on a wide range of providers, community organisations and resources for young people, providing a crucial connection point in the OELLEN region.

For any inquiries, or to discuss having your organisation included in future Get Linked editions, please contact OELLEN on (03) 8578 6844.
